## THE DIGITAL TOOL KIT:

## ARE YOU EAGER TO BE PART OF THE NEW YORK CITY PRIDE MARCH?

We are too!

We are so ready to celebrate, but in the wake of COVID-19, the City has limited the number of people we are allowed in our contingent. We are reserving most of our for current spaces and former Immigration Equality clients and staff. Still, we would love to have some of our most valued supporters walk alongside us, so we are inviting you to host your own fundraiser to reserve your spot in our march! The first 5 supporters to raise \$500 for Immigration Equality will be invited along with one guest to join us. We cannot wait to see you there!

You are welcome to run your fundraiser on WeDidIt (our personal fundraising platform, preferred), Facebook, and/or Instagram, and we've got some guidance on how to make your fundraiser a success.

#### SAMPLE E-MAIL

Dear XXXX,

As you may know, I'm a strong supporter of Immigration Equality's work protecting LGBTQ and HIV-positive immigrants. They are the leading LGBTQ immigrant rights organization in the country, currently helping 800 people annually with their asylum claims, at no cost to the client.

That is why I was especially excited to see an opportunity to both support them, and celebrate as a member of one of my favorite events – the New York City Pride Parade.

This year, I have the opportunity to walk alongside Immigration Equality in the parade, but only if I reach my goal of raising \$500 for the organization.

Will you honor their work, and support my walk by donating today?

Please help me reach my goal by donating here: XXXX

Thanks so much for your support,

XXXXXX

Facebook can be a very effective tool for fundraising, but its algorithms don't promote content that links away from the site. Unfortunately, that includes your fundraiser! Luckily, we have some tips to trick the algorithm.

- 1. Send your fundraising link to individuals via Facebook messenger or email.
- 2. When people donate, make a Facebook or Twitter post thanking them (tag them!) and link to your fundraising page.
- 3. Keep people updated on your progress! Use the story feature on Facebook or Instagram to make temporary posts.
- 4. Post graphics or articles to help catch people's attention
